

HOME AND COMMUNITY CARE

To be eligible for this service, whether it be short or long term assessment must firstly be made. The service is available for all people in need of support to be able to function in their own home and remain independent. Our service includes personal care, respite, home help and home maintenance.

UMHCS adopts the active service model which is helping people stay active, involved and doing as much for themselves as possible. This is proven to help people stay more independent with a greater sense of wellbeing.
