

PODIATRY

Podiatry provides information and treatment and complete care of the foot and lower leg for home and community care eligible clients (clients who have chronic illness, or are frail aged or have a disability) and their carers. This service is provided 2nd weekly from Albury/Wodonga Health. Bookings are made by phoning reception on (02) 60763200.

We also have a private podiatrist who visits once a month. For appointments please phone the Medical Clinic on (02) 60763290.

UMHCS also has Allied Health Staff who undertake basic foot care. An appointment can be made by phoning reception on (02) 60763200.
